Washington, D. C.

Sir:-

It is requested that the following described land
be set aside for the use of the Mesa Grande Indians:-

The west one half of the Southwest one
quarter of Section eleven (11) Township twelve (12)
South, Range Two (2) East San Bernardino Meridian.

The Los Angeles Land Office reports that this tract
is vacant. The land is rough, rocky, and in a canyon, but
there is a spring on it which furnishes water to stock on the
Mesa Grande Indian reservation. The Indians have used it
for years and consider it as theirs, but there is no record
that it has ever been reserved for their use. It has been
reported that a white man is threatening to fence it up, and
as the Indians are really entitled to it it is recommended it
be set aside.

Very respectfully,

Superintendent.
